

# FISCAL NOTE

## HB 799

March 3, 2005

**SUMMARY OF BILL:** Requires all teachers except apprentice teachers to be evaluated at least two times during any three-year period of employment. Current law requires teachers to be evaluated at least two times between the time their certificate is issued or renewed and the certificate's expiration date, which is generally a ten-year period.

### ESTIMATED FISCAL IMPACT:

#### **Increase Local Govt. Expenditures – Not Significant**

Assumption:

- Increased administrative costs to the LEAs due to increasing the number of required evaluations to at least six times rather than twice in a 10-year period. Such increase in local government expenditures is estimated to be not significant and can be handled within existing resources of the LEAs.
